OPTION 6 CLASSIC RR

OPTION 1 OF 6

Rocket House

A rocket lifting off through a house silhouette. Home and momentum in a single mark, with a bold geometric wordmark.

OPTION 2 OF 6

Rocket Flight

A rocket in full flight beside a tall condensed wordmark. Red accent letters add energy and a sense of speed.

In context: website header

Rocket Tile

The rocket sits inside a rounded red tile, app-icon style. Clean and modern, and the tile doubles as a social avatar.

In context: website header

Launch Ring

The rocket framed by a thin ring, like a badge or seal. A red rule under the wordmark gives it a refined, established feel.

Lift-off Wordmark

Typography leads, with a small rocket taking off from the end of the name. Understated and reads well at any size.
